Matthews Asia Funds New Account Application

IMPORTANT INFORMATION ABOUT OPENING A NEW ACCOUNT

Shares of the Funds have not been registered for sale outside the U.S., The Funds generally do not sell shares to investors residing outside the U.S., even if they are U.S. citizens or lawful permanent residents, except to investors with U.S. military APO (Army Post Office) or FPO (Fleet Post Office) addresses. To help the U.S. government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies persons opening accounts. To comply, we require your name, address, date of birth and government-issued identification number (generally, a Social Security Number) and other information that may help us identify you. We may also ask for copies of related documentation, and we may consult third-party databases to help verify your identity.

If you are opening an account for a "Legal Entity" such as a corporation, limited liability company, or other entity that is created by the filing of a public document with a Secretary of State or similar office, a general partnership, and any similar entity formed under the laws of foreign jurisdiction, information about the beneficial owners and the individual with significant responsibility for managing the Legal Entity is required BEFORE the account can be opened. You must also complete the Legal Entity Addendum found at the end of this application.

If you are opening an account on behalf of a trust, estate, limited partnership, or other organizations, additional identifying documentation is also required. If you do not provide us with this information, we will be unable to open your account, and any application that does not include the required information will be rejected and returned to you.

Required information is marked throughout this application with an asterisk (*).

STATE UNCLAIMED PROPERTY LAW DISCLOSURE

The assets in your account are subject to state unclaimed property laws which provide that if no activity occurs in your account within the time period specified by the particular state law, your assets must be transferred to the appropriate state. We are required by law to advise you that your assets may be transferred to an appropriate state in compliance with these state laws.
